TUBEDAY, MARON 24, 1883.

We mentioned some time since that there has never been a trine in the his cripion in the was increased in the same was a considerable of the same was a co

as well as sea. A great army, as well as an enormous fleet has been assembled for these purposes, and their employment in action cannot be much further mant in action cannot be much further delayed. For some time past the battles and manneuvres of the energy have been repetitions of battles they had fought a previous periods, and manœuvres which they had unsuccessfully tried before.

But we are now, perhaps, to witness a new scene in the war.

repetitions of battles they had fought a preview periods, and manceuvres which they had unsuccessfully tried before—But we are now, perhaps, to witness new scene in the war.

But we are now, perhaps, to witness new scene in the war.

We learn from the Petersburg Express, that on Tuesday morning last, a bout eight hundred Yankee cavalry, under Colonel Speare, came up from Smfolk'to a point on the Blackwater, near Franklin, and charged upon two companies of South Carolina sharpshooters, who were supporting a piece of artillery. They were fired into bour nen and soon scattered in every direction, leaving two munded. So or facilities, and better the world attend. The concert will, therefore, take should attend.

Capt. Mosby, of Stuny's cavalry, made the field and 2 others mortally wounded. So the enemy were taken prisont re-among them a captain. These men report large number of their companions wounded. Not a single man on our side was killed or seriously wounded. Their names are Martin Himmer, and a Mr. Predatand. It is itered that Mr. Himmer, and a Mr. Predatand. It is itered that Mr. Himmer, and a Mr. Predatand. It is itered that Mr. Himmer, and a Mr. Predatand. The interest capture done of the most present of all intelligences.—

The Concert.

We have been requested to state that might. The concert will, therefore, take the most present of the bound with gas on that might. The concert will, therefore, take should attend.

Capt. Mosby, of Stunyt's cavalry, made the field and 2 others mortally wounded. State of the most present or property and the ball attend. The should attend.

Capt. Mosby, of Stunyt's cavalry, made the ball at the left of the most present or property and the ball at the large number of their companions wounded. Not a single man on our side was killed or seriously wounded. The officers and twenty-one private the properties of the most present or property and the property and the property of the properties of the most present properties and the property of the properties of the same property of

westy brilliant affair.
We surther learn, from a direct and rollable source, that the enemy are being strongly reinforced at Sussol.

## Part Pemberten and Port Hudson.

We last week gave a despatch respect g the fight at Fort Pemberton, in ing the fight at Fort Pemberton, in which the gunboats of the enemy were repulsed. Since then, we have received no further intelligence from that quar-

The day after our paper was issued, we received a despatch bringing the gratifying intelligence that we had also repulsed the enemy at Port Hudson. Since them, we have no further intelligence from that inferesting locality.
