stitutes and the law: No man has a right to set them seide.

Now, for example, the Constitution more positively and abnolately—in the plainest and most anniative their methods and more provides that a fugitive from labor, escaping from one State into another, shall be delivered up. This is the Constitution. I am not to day bushing stavery, right or wrong. I am loading as things as they san. This is the providing of the Constitution. If then, the Phumidanter of Swarzen, the judgeths keeper, or the maginantic, the estimate (native horse or adequed) done not scenning with that provision, then in in within his jurisdiction to do no—if he chanives at its evasion; of he side or short the fight, he is before heavier a neighbor than, limit the winters of the contain boild not reach out the state.

in is to have

NUMBER 23,

Consistention and latte of the United States by costs, there either the Precificant the Governor, the Judge, the Lawyer, or the Magiaraste. For the man that consist the Magiaraste of the Government under which he was born, solvenity dreament under which he was born, solvenity dreament, and there he selected to the Government, and then he selected to the Government, and then he selected to the Government, and then he selected the government of the people, the law selected to the Government, and then he was consistent to the United States.

I ask, then, are our afficial uses faithful to their out? Are our manualized city on the United States.

I ask, then, are our afficial uses faithful to their out? The great manual that the United States.

I ask, then, are our afficial uses faithful to their out? The great manual that the United States.

I ask, then, are our afficial uses faithful to their out? The great manual that the United States.

I ask, then, are our afficial uses faithful to their out? The great proposition is the season.

I ask, then, are our afficial uses faithful to their out? The great proposition is the season.

The Constitution and the laws required to the great proposition is the season to the season to the great proposition. The great proposition was adopted, out of the faithful to the great proposition was adopted, out of the great proposition.

The Constitution and the laws: The great constitution are solvening to the great proposition. The great constitution are solvening to the great proposition was adopted, out of the great proposition. The great proposition was adopted, out of the great proposition was adopted, out of the great proposition. The great proposition was ad

'Why, my dear the best will sink in less than those mignates.'

'Well,' ghe rapined, it think I out be one before that time.

frantis wish apsimponents the years before roun, and found then very quietly combing their holy.

"For hearen's min! says he, 'years' ledies, what do you mean! The heat will sish in two ginutes, and here you are combing point bair!

"Why made, mys the micro, you didn't expect as to go out there before all those young men with our hair in this fix—hid you!

TO-HORROW.

A gentlemen wont to the masting held in his neighberhood, where for mose time there had belon a verival of religion. His wife, a triely pleas hely, secompanied him, and several fiture during the nervison, shubserved him trying to expecual the emotion that was strengthing for atterance.—After, a solumn and impressive discourse on the designer of delay, an invitation was given to any who desired special prayer to be made for those, or to be instructed concerning the tap of salvation; to remain a their the congregation should be dismissed. Many remained, but this presistence of mer, though his pleas with ways of the mer, though his pleas with ways of the mer. "That's the game, hoys; new let us play it." It devolved upon me to commone operations. Accordingly, I entered the sur in which we were interested the levers were. The girl, thinking, I suppose, that she must give her lover all the seat, hed taken a seat on his knee; such he, for the purpose of pretering her upon the seat over all the seat, hed taken a seat on his knee; such he, for the purpose of pretering her, of course, had taken a seat on his knee; such he, for the purpose of pretering her, of course, had thave a his arm around her waist; and not they seet, in real, such lovers' style.

All this I gathered at a glance. Steping up to those, I said:

"Why, Josea, what in the dense are you deadledly, while she but geathing the well of the seat of the

pin. I know I sight to do it sow, but I seement."

Profiles him resolute, the wife sold no more, and they left the house together.—
The effect tree very dert, the gentleman's horse refrestery, and before they lied govern sulls from the observed, he was thrown a violently to the ground; sorthing his head against a piece off heres stone that hy in the road. One consistent of the brind followed, and death in a few militates: His last words were, Fareword, Many, turnwell followers, we meat no more; my sole in feet forces. If all feeth in the feether week to more in my sole in feet forces. And with feet with feet robbed me of my aff? And terring a bork of assessing and the second second.

\*\*The part with a waster to one of his subjects and said to him:

A certain tyrant sent for one of his subjects and said to him:

"What is your employment?"

He said:

"I am a blackemith."

"Go here, stranger,' said the follow, 'you're a utite mistaken; usy name ain' town! Again and pan of making it. Then are your wife and a chain of such a length."

He weat home; it occupied him neveral months, and he had no wages all the pare him on the part him away.

He wast home; it occupied him neveral months, and he had no wages all the professory, said before they find govern all months, and he had no wages all the pare him away.

He wast home; it occupied him neveral months, and he had no wages all the professory, said before they find govern all months, and he had no wages all the pare him away.

"I call you my name ain' town; 'list is trouble and plan of making it. Then if the pare him nothings to do it with, but sent him away.

Again he worked on, and made it twice as long."

Again he worked on, and made it twice and long. "The pare him away.

Again he worked on, and made it twice as a long."

He pare him nothings to do it with, but sent him away.

Again he worked on, and made it twice and long. "The pare him away.

Again he worked on, and made it twice and long."

"The pare him nothings to do it with, but sent him away.

Again he worked on, and made it twice and long. "The pare how the thins they goot to feeling right and long." He brought it up again, and the main and the said of the pare him of the pare with a said of the pare him of the pare with a said of the pare him of the pare him of the pare him
