summittee, against the perpetrator or against the perpetrator or the serve what they conceived to be mercial induced upon him.

Great interect was insurfacted in the trial, and the Court House was nearly find with spects tore from the beginning to the conclusion of it. As the testimony was using developed, showing that the act was the roudt of an infortunate excellent, instead of a maliform and account of the convenient places, to serve also as camps of instruction, until they are dup called for by the ones that the pioner by an to relent, and before makes an object the pioner by an to relent, and before it was concluded their feelines of vergeance were converted into emotions of invely sympathy for the neutrotrope to the involvance prisoner, and, instead of desiring to see him punished, hoped that he would be discharged and an earlier to a produce the controlled their technology of the production of the produce prisoner, and instead of desiring to see him punished, hoped that he would be discharged and early interest to support and to have a ground on the part of the Commonwasht by Capt. Headerson M. Ball and Col. Win, H. Harman, and, on behalf of the prisoner, by High W. Sheffey, E-q., Hon. Alex, H. H. Stuars, and where the search of the commonwealth was all the search of the commonwealth was all the search of the se and, on behalf of the prisoner, by Hugh shefter, Eq. (Hoc. Alex, H. B. Stuart, and a. J. Miohie, Eq. (The Commonwealth was Liferpeastied), and as strong a view as the represented, and as strong a view as the represented, and as strong a view as the represented, and as strong a view as the represented and the strong would justify was presented against prisoner. The speeches on behalf the definor, prisoner. The speeches on behalf the definor, prisoner. The speeches on the half the definor, prisoner is the strong of the development of the prisoner is the desirable of the speeches of artillary, about 5.00. The prisoner is the strong of the definition of the war. Officers is the testimony had arcided to behalf of the prisoner is the testimony had arcided to behalf of the prisoner is the testimony had arcided to behalf of the prisoner is the testimony had arcided to behalf of the prisoner is the testimony had arcided to behalf of the prisoner is the testimony had arcided to behalf of the prisoner is the testimony had arcided to behalf of the prisoner is the testimony had arcided to behalf of the prisoner is the testimony had arcided to behalf of the prisoner is the testimony had a constant the prisoner is the testimony had a constant the prisoner is the prisoner i one, were pathed to an uncertainty mond of the war. Officers is one, were pathed to an uncertainty mond of the war. Officers is one, were pathed to an uncertainty mond of the war. Officers is one, were pathed to an uncertainty mond of the war. Officers is one, were pathed to an uncertainty mond of the war. Officers is one present of sympathy profacely. The prisoper was proven to be a young man of procent early good character, of a kind and human disposition, of a mid and even temper, of good morals and pure integrity, hunorable, high minded, brave and officers of the exempted, all milets actually an agong to one physician to one thousand observed the second officers and who was never abreat from his post, of duty, that he was Sergeant in the Company. When the Commonwealth had concluded the argument, and whits the members of the Court were consulted anomance, and when, to the Spectator, the tate of the prisoner seemed to be suspended in a should be also on the consultance of the prisoner seemed to be suspended in a should be shaded break the slience would record the prisoner seemed to be holding their breath, fearing that the east of the prisoner seemed to be suspended in a behalf with the whole of the prisoner seemed to be suspended in a should be shaded break the slience would record the prisoner seemed to be suspended in a behalf with the whole the decision they would anonnee, and when, to the Spectators seemed to be holding their breath, fearing that the east of the prisoner seemed to be suspended in a behalf when the contract of the decision they would anonnee, and when, to the Spectators seemed to be holding their breath, fearing that the east to small.
