"No memory shall be drawn from the
treasury, but in consequence of appropri-ations made by law."

Article First provides that the people

shall amemble peaceably and elect then entatives to Congress. This right has been interfered with, and the will of the majority in many cases disregarded, by the interference of the military suil-orilise at the polls, the prescribing of illegal and observers parties test outle, and threatened and actual riolence to all re perfect Union, establish justice, who attempted to cast a bailut in opposimere domestic tranquility, provide for time to the recklese and faseting! polary to common defense, promote the general of the party is power.

These startling usurpations have oc-

ty" to themselves and their positrity careful under the odinitional of a Theor purposes it ashieved with worder. Prevident who is the presure of his full harmony and mesona, for the period. God and themselved of his fullow statems, of seventy odd years, until the medices of took this seath? I do notionally near-time. al fanations became the ruling I will faithfully execute the office of Presed States, and will to power is the souncils of the nation, tore ident of the trained of the constraint of the conference of the constraint of the best of many ability, preserve, protect the coales of justice, stabled the dissession and defend the constitution of the lutted frauguility to the least, shirered into States.

purity and symmetry, as the only hope of safety and security in the future. Let them determine that, as the party in power have ruthlessly disregarded its obligations, they will claim the rights of free men at the ballot-box, and displace them from power, that we may get back to the old landmarks of the fathers of the Re-

Having for nearly a month maintained that the Senate was organized, and refus ed to proceed with any business until now have the effentery to set up a bo-gus resignation of Senator White, in or-der that an election may be held in his district, and thus fraudulenly place them, solves in that majority which they now the answer to this question.

The New York World has the follow of an election to fill his pla once a member or enter mount mercee, bis place can become vacant in but one of the three ways—death, expulsion or a resignation delivered into the hands of the proper authority. The mere writing plies will throw still another army of is a resignation is nothing, for it may be rela, which consumates her and, presently and delivery is necessary to give perfect effect to any deed. Until Mr. White's resignation he delivered and filed in the proper office, it is only so much blank paper, of no more value than an intention to resign, fixed in the mind, but unwritte sign, fixed in the mino, our unarrows and a combessible state this tow would be. Besides this, the Constitution says, that in cases of vecancies, the spark will cause an explacion.

The danger that a function is will be supported by the same of a lastice. Spearer shall have write of election.

Now Mr. Penny is not Speaker; if he were, there would be no occasion for the perpetration of this frame. For him, therefore, to attempt to issue a writ for an electi on to fill the place of Mr. White,

an election to Hill the piece of Mr. White, before it can be know in the sameer pre-ceribed by law, whether he is or in co-still a member, would be to commit a wrong both against the organic and the This however makes very little differ Alls however manne very lives enver-ence to the Abeliticain. Low of my kind is nevely in their way, when they have se end to gain; and we may there-fire expect seem to one this additional supfore expect seen to one this odditional out-rage upon a periont but sorely total and

There is to be no way of example of the War. Contracts were awarded to to any except such as are the non-contract for the province and partsions. favorites and relatives through which rot of magnificent farms and stately manning when the ships were furnished at securous s & Norland." What a sublime arbibi-prious and the Gorernment swindled out time of intensified "patriotic loyalty?" amount of millions. Inferior machinery was accepted by the department and used in the construction of new vessels, ore grands superior, because the patentees were loyion of new vessels, over greatly

a "special" or rather an apology in the person of a Colonel Alcott his beachparters at the Gait House,

ince have addressed a letter to the joins at the White Hume, asking him to one and he a renomination for the Presidence for a second term. As Lincoln in not on all his life,} bestile to the Union and the Constitution, not is using his best offerts to mash on centry into piece, he is the very man traiters and disanisairs ought to go for; and hence it is all right and proper that the Abelition members of our Assembly fall, however, the panels will take this question into their own hands, and call a stateman and matrice to the Presidence an and patries to the Franklesoy They have suffered long enough from

Bouth should be in a condition to help as [180] is that it is industry should at [180] there is that it is conserved, when it is conserved that it is conserved to see help of a conserved that it is constructed to specie payments. But the country in an specie payments. But the country in an aprice never to financiation that only the discipline of suffering is likely to restore it to reserve.

Official Corruntian

Official Corruntian Official Corruption to charge a rant of that even against.

The sometry is just now being startled "Copperheads." When the abolitionists y the most astounding developments of talk of "loyalty," they talk all for Abo Lincoln and nothing for the country. We heard a public speaker lately finish up a discourse by charging parents to teach their children to be "layal" Had head-

better and more appropriate.

Books and Periodicals.

THE PERFECT GENTLEMAN; OR, ET-THE PREFECT GENTLEMAN; ON, ENCETTA AND LINGUISTICS AND ADDRESSES AND ADD

Of the making of books on ediquette, and Of the making of book on edispects, and the various action and political charrentons, there has been surfelt. The is the flast wherein a little common same here here involved and in the matter. The nation is evidently accessioned in good actier, and in a quiet, production, but authoritains very less production, but authoritains very less and the selection of the common surfer production. The common surfer is a production of the common surfer is a produced to the common surfer is a produced to the common surfer is a question would reach me mere from and affect-sively in the control of the common surfer surfer would reach me mere from and affect-sively in the control of the common surfer surfer would reach me mere from and affect-sively in the control of the common surfer surfer is a surfer in the common surfer in the com-trol of the common surfer in the common surfer is a produced in the common surfer is a surfer in the com-trol of the common surfer in the common surfer is a produced in the common surfer is a surfer in the common surfer in the production of the common surfer in the common surfer is a common surfer in the common surfer in the common surfer in the surfer in the common quette would teach me mere forms and affect-ation; but that habit of conduct which, while it puts us to the least trouble, places these

THE LIFE OF ARCHBISHOP HUGHES. the p -T. B. Peterson and Brothers of Philiadelphia. have just published a full assumnt of the life of Architishop Houbes, his Draws and Burnal, as Articidate, Humbes, has Danze and Bunian, as well as if a service in all pursuits and mendess with the portrait. It is for min by all break, sellers, citizaneurs, pollers and news apetite verywhere, completed in our volume paper overs. Price 20 cents, forecopies for \$1, such as comes. Price 20 cents, forecopies and \$2, and free of Foolage anywhere at these raties. Price to consense 310, a hundred, on receipt of the money.

Perenson,-This popular Magasine for Petruary is received. It contains more for the money than any magazine pairs lished. The literary matter is conseled to be the best published anywhere, and its illustrations are unrivalled, and is short. It is emphatically the magnetic for the indice publishphaticilly the suggester for the more; of by Charles J. Peterson, 208 Chesto Philadelphia. Turnes 82 a year.

Millions of money has been draw from the public treasury, without any as propriation of Congram, actestiant may be a propriation of Congram, actestiant make a property of the control o

ations made by int."

Article First provides that the people shall meanible peaceably and closs that representatives to Congreen. This right has been interfered with, and the will o the majority in many cases diaregarded by the interference of the military anth ice at the polls, the prescribing of it legal and observes pertines lest estimated and threatened and actual violence to all who attempted to east a hallot in opposi-tion to the reckless and fancting! policy

tion to the reckless and functinal policy of the party in power.

These startling manractions have oc-curred under the administration of a President who in the pressure of his God and sheemands of his fellow citizens, took this sath: "I do solemnly swear the I will faithfully execute the office of Proident of the United States, and will to the best of my ability, preserve, protect and defend the constitution of the United

Diston."

In view of the storm which even then
the prophetic eye might have seen gathering, in ail its blac noss, it is no wondor the great statesman of America, urged or the great statesman or America, argeo-his fellow citizens, with all his earnest cloquence, to "Cling to the constitution as the shipwrecked mariner clings to the last plank when night and the tempest close around him." He saw than than constitution was freighted with all the dearest hopes of the American Union all the that it was the only sure and lasting bond of Usion, and that the moment it was rotated and severed, the States would become discordant and belligerest, and the hands of their citizens would be drenched in fraternal blood.

drenched in frastranal bissed.

Let all the people satisfy the constitution of their country, learn its requirements, and count up the many riolations
of the recovered derive the people satisfies the region of the recovered derive that that
constitution shall be maintained in the
parity and symmetry, as the only hope of
safety and security in the future. Let
them determine that, as the parity now, " them determine that, as the party in power have ruthlessly disregarded its obliga-tions, they will claim the rights of freemen at the ballot-box, and displace them from power, that we may get back to the old landmarks of the fathers of the Republic and to the old days of peace, happiness and prosperity.

A Bogue Senator.

There is an attraction for chicanery in the Republican party, which renders it impossible for them to resist any chance of ourraging the laws of the land, and the of ourraging one naws or one inne, and the well settled customs of the country.— Having for nearly a month maintained that the Senate was organized, and refus-
