a neat and pleasant cot

My thoughts are centered now, Mathinkal are my parentalinare, A smile upon each brow; The church close by, where I have All pass in memory as it seen. Along the path the crystal spring, The leaders trees stand mear, Unrobed now of their verdure green,

And the rich finide of rellow corn.

And the rich hald of yellow corn,

The stacks of scented hay,
And e'en the ruddy beam of mprn,
And the last lingurier ray
Of the departing sun, that gild
The golden tints of trees and hills, I see the immates of that place,
And wish 'at I were there;
That out, any home, the best of friends,
True, cherished, and descere;
Are I true in juy's serient hour,
True when dark trouble yields her power.

May they the good of life enjoy, itealth, happiness, and ease, Kind angels guard them hovering a And crown their lives with peace

Scotch Argument for Marriage Yet we will wed -en, say no more! And should the ballings to us come As lew that wed but do have some— No doubt that Heaven will stand out And bread, as well as children send.

No faces the han in farmer's yard,
To live alone sho finds it hard;
I've known her wears every claw
In search of our muong the straw;
But when in neast of nicest fund,
She clucks among her chirping brood;
With juy we con the colframe hen

Miscellaneous

We invite the especial attention of the reader to the admirable address we publish elsewhere to Victor Hugo, in answer to a letter recently written to the London Murathis country, which the mischievous soph ries and sentimental sympathies of jus-

Before this time you will have learned blon or condemn the concess justs, has taken, that Virginia has vindicated the majesty of When you call upon the Federal Union to happy confederates have passed to a higher Virginia, there is not a schoolly through tribunal for judgement. You will learn, lost the land-for to all Twich our Constitutions, that out of nearly thirty millions of people, spreading over a great continent, your idea that the General Everence in has there is but a handful of men and women who have received the news of this execution with disapproval. North and South, the great hady of our people acquiesce in the face of John Brown, as an inevitable necessit. Your picture of John Brown's trial is a time-a schemn obligation to the laws. Like poinful one. The usual which is startly a startly in the tree of John Brown's trial is a time-a schemn obligation to the laws. Like poinful one.

of your letter meet with sympathy from every true heart. But he outbarned compass. Thus you slow no desiration from abroad is likely world, for govern their passions while they protect the fearful their wide.

this, crown him with the halo of poetry as you will.

And the Sariour.

A This moment, "you say. "America of the American Lord the Sariour."

A This moment, "you say. "America of the American Lord the Sariour."

A This moment only, but were since a contrast and properties of the canada it is unpossible for a man to stand upon the years of eternity, into which he must be launch. I by a violent death, without filling every good heart with grid and composion. But when he is brave—when his path of bleed has been lighted by the larier torch of fantifician or mannity by the larier torch of fantifician or mannity by the larier torch of fantifician or mannity by the larier torch of fantifician or mannity. The substitution of virginia ponder on it well—they are for the marty of a vivid imagination only.

They have pondered on it well—they are for the marty of a vivid imagination only.

They have pondered on it well, and it of a sex and of a nature to whom these feelings are kindred. I cannot think of all John Brown upon the scaffold without a shudder through a in wheing. I can of the integration who would shudden through a in wheing. I can be suffering in genominous death without thrift of pans. But I find it impossible to fix ny mind on the scaffold of this out mannity to the women made without it will be one the first of the women made without it will be one the first of the women made with the mourful resignation were by the mount of the case of the Rhime. The word of the case of the cas
