Flant Frait Trees.

This is the very nick of time for setting our young fruit trees, and we suggest to each of our readers who has a vacaat rod of ground, to plant a tree. James F. Davis will be mond with the desideratum; nor was it ever contact that the subject to the current problem. readers who has a vacant rod of ground, to plant in this derivative, now as it ever contominated a tree. James 9. Davis will be round with his by the framers of the constitution that they reagon, and Franklin Davis, of the Saunton Nurerry, is ready to emply orders to any amount. A few days ago we sitted the Nurerry, so found Mr. Davis in the midst of his harry, and found Mr. Davis in the midst of his harry, and found Mr. Davis in the midst of his harry to be transportation. Four south ands took had took for trees and palled it up, thus obtaining the entire root, and its this manner reveral thousand a day are removed from the earth. Mr. D. has an endies variety of feples, peacies, plums, apricota, peace, jee. The apple is peculiarly additionally the foundation of the peculiar variety of feples, peacies, plums, apricota, peace, jee. The apple is peculiarly additionally the foundation of the property of the college of the peculiar variety of feples, peacies, plums, apricota, peace, jee. The apple is peculiarly additionally the foundation of the peculiar and the government, and erricidical evaluation will cooke, and people with not look having good fruit.
