ACCO PARTY

STAUNTON, VIRGINIA, WEDNESDAY, OCTOBER 28, 1857.

They hall me, first and earthly lone position hit after dispose: But the memory of a first great grief To me, says hading seems.

The graff that marks our develop you assume over clinics; And o'er the puth of feture years A longtheight thesing flags.

Oh.1 of, my mind romlis his hour When to my father's house Donk come, an enjaying grant, From his dualing to the temb. I had the same his has believe. I shouldered at the eight:

E-pandiful trow and raddy check.
Beautie all sold and wan;
An eye prov the fe which the light
Of richard fagry physic.

Cold was the cheek, and said the hear. The are was fixed and dim; s there mounted a brother dead, would have died for him.

I know not if 'twas summer then, I know not if 'twas spring; But if the birds sang in the trees I did not bear them sing.

If flowers same farth to deak the earth, Their bloom I did not see; I looked upon one withgred flower, And none size blacmed for man and and others time it was

All cyle were the set orace And every voice was low.

Softly we trod, as if shald To mer the shoper's shop, And slop has looks of his sad face For manuary to heap.

With him the agony was o'er, And new the pain was our; An thoughts of his swort childho Like odor from dead flowers; And whom at lest he was horse afe

His every look, his every word,

Came back to us like things whose worth Is only prized when gone! That grief has passed with years away, And joy has been my lot; But the one is long remembered. And the other soon forgot!

Street, hasty excepted by Alan, from this time to the ITth Norember, and perhaps longer.

Streeton, tagst. 30, 1827.

Administrative,

1400. S. F. Leake, and was called forth by according to the errogatories propounded by that gentleman.

Hunter states that he voted for President but the 'Ragi cheans, and not only extertains no feeling of stillty towards him, but wishes him success. It has only, "asy Mr. H., to carry out do corr, short do inciples of the Democratic party, as we understand them in Virginia, to command my cording propert." This sentence is worthy of notice... is a direct confession that 'the principles of the Democratic party' are understood different from which is riginated with the principle of the property of the country. What then he Democratic party" are understood different:
y in different parts of the country. What then is
becomes of the boasted unity of the "National"
bemocracy? It is apparent that Mr. Hunter is
ont over-confident of the autoess of Old Bock's
Administration. He impess and expects to be
table to support the Administration "in the
inaia," and as to his wishing the President vueseas, it is no more than any patriotic Whig or
token Working would say.

Richmond Enquire ended to Mr. R. G. Scott's lette But let us have fair play. Gov. Wise yet switten a letter upon the subject in ad justice and fair dealing towards Mr. of that he shall place his views
