It is said that these two notorious Black Republican political tricksters are trying to effect an exchange of places. The idea me doubt originated with Cauranes. The old Winselsage don't want to go to Bussia. He knows how hard it is to keep his hands off other people's money, and he knows that the Kimperor of Russia has a babit of sending this year, and the state of sending this year, the same of the s

graceful one—was to somistate Sixor country. When the Spirit published Caxmon to represent the country abroad, after the investigations of a committee of the own political friends had shown his administration of the War Department to have been the Mar Department to have been the most frightfully corrept that were disgressed any government on the face of the carth.

If we could get rid of Caxmon by the country and for meakind. The cause of pablis morals would be greatly promotive the product of the whose the theorem that there are twenty-nine other districts do that the care the product of the whose the forestre beneath his ill-gotten lacre, and the latter's department for a distant quarter of the globs would help a listle to clear the political herizon.
