TO THE FARMERS OF AUGUSTATO THE REPRINE OF AUGUSTAFrom an experience of Westy years in the nanufacture of Plows, I can meley say that the Plow in tracticed into this county by me, which I have been mating for the last fixery years, however as the mating for the last fixery years, however as the plant proper and in the Genty. Although simple in its construction, to work well it must be well gotten up, and fixer myself that case formish the stricts as cheep, as good, and furpredicte and aucross are worth any bings myself that less fromish the stricts as the second of the stricts.

I am prepared to furnish Plows, Foints and Sildes in any quantity, that may be desired, warranting er-ery piece that passes out of my hands; if it is not what it is represented to be, return it to the searches from whom presents of the periant is to the searches. nat passes out of my hands; if it is no purchased, and I will bear the loss. Ful s of Flows, Points and Slides may be foun-ging places: , at the Wareroem, near the store of Graw Other.

Who may in the state of the sta
