THE CONFEDERATE TAX

his charge contained truth. After this paths, be good enough to inform the public who it was that "hounded" and "mailigned," "hunted down," and "willified" him, and why they wish to visit the size of others upon the head of Co. Baldwin. The writer in the Vindicator mass this language: "Hunted down, "illified by interested political luncksters and meantebank politicians, who felt no responsibility, who had and have never given any tangible evidence of a heart felt surest in the cause of the South, and who have not the brain sto comprehend the yest difficulties which environ the ensign, consists of three hor-

high efficial positions in such a crisis as that through which we are now passing,

hand the vast difficulties which environ

Markey 1 is he to be punished for the story of the west 2 and "Diann," we get the election of Gov. Letcher' from the Legion informs the good people of Rockingham that, "A refusal to rous for him (Gov. Letcher) would be no passible and direct condemnation of thermeters." How is this? In which we captured some time from the onemy, have recently the enemy. We need that ways would they be condemning themeters in the course when they elected him a member of the the tody. If they yote against two of the enemy have only recently for the course when they elected him a member of the the tody. If they yote against the wide of the condemning a man without a reason therefor.

The Fourt at Farskin, Tens, 1.

The Fourt at Farskin, Tens, 1 see they claim the declaion of experient eigen. We expect to hear news of the first of observe as representing a some interest in a few days from that section—strong was at the peels showed as the pells showed as the pells showed the majority and that, too, and that, too, and the voling polls showed in the voling polls showed the voling polls showed the voling polls are one cleaned. If it had been delayed much longer it would have equalled the labor performed by Hercules when he cleaned the August stables.

the fields in this war for southern inde-pendence is retained, appropriately, as the "union," or corner square of the new flag. The "fly," or remaining por-tion of the ensign, consists of three hor-izontal bars of equal width, the centre bur blue, the others white. The white "purity and innocence," the blue, "strength and stability." The commit-ter have bestowed much attention upon this subject, and after inspecting the nu-merous designs submitted to them, have originated and fixed upon the design a-bove described as one combining more high efficial postuous.

Why not say who these "political hucksters and mountebrank politiciams" the have bedwed much attention aponthase of a heartfalt interest in the cause of the Sentis" To what political household do they belong? Why not design submitted to them, have or the sentism the exposure and punishment upon the persons guilty of the officer moutioned, instead of trying to make a visit the exposure of Col. Bearwin! Is he to be punished for the stage of others! Is that the code of postsiment approved by these advorpassiment approved by the source of the week." and "Diana," two gundance of the province of the week." and "Diana," two gundance of the week." and "Diana," two gundance of the province of the week." and "Diana," two gundance of th
