OMEN OF ALL AND CREAT STREET

MANUAL STREET theries French Deceme, upon the self-upon the self-color principle Fig. Still, spectrar grey judgically, grey for spectrar grey judgical quality grey for the need-state and needers.

"Well, my Lord, three years ago mas-ter acts me to Lunnon on business of his'n, and it same on to rain," and I took

shelter in a news, you see."

'Yes; you took shelter is a maws;
what then?'

"And then?"

"And there were two gentlemen taking abelter too; and they were talking to each other of chatnost."

"About charcost?"—go on "

'And one said that it had done a deal 'And one said that it had done a deal of good in casts of sickness, and especially in the first stage of shoiers, and I took a note on my mind of that, because we'd had the cholers in our village the year store. And I garesed the two gottlemes were dostors, and know what they

were a talking about.
'I dere say they did, but flowers and
vince do not have the cholers, do they?' nines do not have the cholers, do they?"

No, my Lord; but they have complaints of their own; nod one of the genthemes west on to say that characal had, a special good effect upon all vegable life, and told a story of a visa-drassar, in Gen-many, I think, who had made a very sichtly, poor viseyard one of the best in-those pares, ningly by the characal dress, lage. So I sait rally picked up my seen a thea, for our vises were into bad a way that sasters thought of d ing away with them, altogether. "Ah," said the set and gestlemen, and see how a little sprinking or shareout will brighten up a flower-bad "The rais was now over and the guelle."

gratians, and see how a little sprinking or chiroso will brighten up a lower-bad. The rais was now over and the gratie-men left the same; and I thought, Well, but before I try the observed on my plants of the same in the same; and I thought, Well, but before I try the observed on my plants of the same in the same in

One two thing there can to me.
One two fond grasp of thy dear hand,
One kiss upon thy theek
Farewell, she feebly faltered forth,
Then smiled, but could not speak.

Farewell, may find protect thee, two, And keep thee from all harm, The thought of thee shall shield my heart And nerve with strength my arm.

God bless them both, their patriot hearts Are tried most bitterly. Thomanly count give comfort now, Help them to look to Thee.

ma. Waity Morizon, a South clargyman, was a mas of great will and humor.
On sowring occasion he animeted an offiest at Fort Garge to pardon a poor fellow
that was sunt to the halbert. The offiserofficed to grant his request if he would in
return grant his traquest if he would in
return grant him the first face the scoold
yash. Mr. Morrison spreed to this, sud
the offiser is mendicated that the
ceremony of baptism should be performed
on a puppy. The elergyman agreed to
it, and a party of gentleman assembled to
witness the nord haptism. Mr. Morrison
desired the officer to held up the dog, as
was exceeding in the haptism of children,
and said:

"As I am a Minister of Scotland. I must

he church. "Certainly," said the Major, "I want all
