2 AMER W. NEWTON:

ocratic Meeling

will be a Democratic Meeting it House on the first day of Februaiv Court, to take into consideration holding a Convention in the district for the helding a Convanuou in an audicate for purpose of nominating a candidate for Congress, to supply the place of the Hon.

Juliu Letcher. We keep there will be a full meeting, as we wish a fair expression of

In Conventions someist the strength and salty of the Democratic party; conventions have relied it to its present pitch of power practive its unity, harmony, trength and assembly by the help and number of souventions, parties are enabled to consentrate their whole force upon nyer, so consecurate taser whois force upon one many who embodies their principles, which talkeries a man might be chosen who was difficult to many of the party.

Then Mr. Letcher was pominated at Returning, the district which he repre-

as deprived of an able and effic-r. We then stated that we wished the people of the district to have a fair provided the interests of the party did not require a souvention. We were shortly afconfirmed in our first conceived scholoring est a sandidate, and had Au- the expense as possible, usis followed her azample, we should have worthy representatives dhered to our first opinion. Since that Augusts and Rockbridge, the two strongs sell to pledge the may arged it. It therefore service per imperative duty, both for the the of the Edippeny of the party, and to patrice its assemblacy in the district, to

ary, as there would no dan-

night of the parties of the total or all properties and to their constituents, and it is for this very ratios that he decide a convention to her advancement. Tubished by Moser. has highest regard, and believe that both or shinked and the highest regard, and believe that both or shinked and the same of the cost of getting it in.

Applies with "photocomplete and to them spines and to their spines and to their spines, and it is for this very to their spines."

Let "to prove the cost of getting it in.

This machine takes the himber from the provent of the cost of getting it in.

This machine takes the himber from the cost of getting it in.

This machine takes the himber from the cost of getting it in.

This machine takes the himber from the cost of getting it in.

The machine takes the himber from the cost of getting it in. not willed an billers that he sould be but one highly develop purpose would be maring that below the highly developed the preserving the party from these original and potry disconding to which a claim light many original and highly deserved to and the light will be the light with a claim to the light will be the light w de la constant de la whith a "Tree Spale" mass according to the second state of the William and the William and the William and the William and the Spale Spale

Trains, — Senate — Mr. Gwin gave notice that he will to-morrow more a reconsideration of the vote hy which the emasculated Pacific Railway bill was peaced.

The rest of the session was consumed with private bills.

House,—A resolution of inquiry was adopted as to whether the receipts next year will probably meet the expenses of the government of the government.

Mr. Stephens introduced a bill giving territorial governments to Arisona, Decotate the second probably meet the expenses of the governments. On Tuesday the 20th, of January, Mr. N. C. Brooks, of Charlotte County, N. C., was robbed of \$1100, in Richmond. Suspicion was fixed upon Mr Deneals, son of Mr. Stephens introduced a bill giving terrorial governments to Arisona, Decotah and Jefferson, the last embracing the Platte country.

This happening at the time slicited a great deal of sympa of his parents. His father has the rough one trying ordeal in I was arrested immediately on Bockingham. Truly it is said Decariments were received and referred. carried before the mayor. There is strong it does, has elicited a great deal of sympa-thy in behalf of his parents. His father has just passed through one trying ordeal in his return to Bockingham. Truly it is sai that affictions never come slope.

Democratic Caucuses.

It has been decided by caususes of both houses of congress not to change in any way the present tariff. Thus far has our party SERATE CATOUS-THE TABLES.

o the expediency or inexpediency of the expediency or inexpediency of the strendance was very full.

ter, of Virginia, offered a resolution to the state that it is inexpedient to change in the tariff during the state.

Mr. Bigler, of Pennsyl Messrs. Gyin and Stewart offered amendment to the sefect amendment to the se the purpose of increasing the revenue.

Mr. Bigler's amendment was voted down almost animonaly. The vote was then taken on the resolution as offered by Mr. taken on the resolution is correctly lar-funter, and it was adopted by a large ma-jority. It is, therefore, settled that no measure for changing the triff can pass Congress during the present pession.— Washington States.

VIRGINIA FINANCES. -We publish the irginia Finances to tollowing statement of Virginia Finances to January 22, 1859, which will be found in a very somfortable condition. TREASURY OFFICE OF VIRGINIA. BALACES.

Saturday morning, January 22, 1859.
On deposit in the Virginia Bank, 3324,705 on deposit is the Farmers' Bank, 515,517 on deposit is the Exchange Bank, 531,445 o the credit of the Commonwealth, is the credit of the Literary Fand, to the credit of the Board of Pablic Works, to the credit of the Sinking Fund,
