But the mants are sept as "a source of revenue." Even in the rear nine millions of acres only were sold. last year nine millions of acres only were sold, while more than fifteen millions were given a way for Railroad purpose. In addition to this the Federal Treasury is now full to overflowing, and the Government wants no more money, but on the contrary is at a loss to know what to do with what it already has. The surplus in the Treasury on the 30th of June next will be \$22,000,000. Congress made an effort at the last session to reduce the revence by lowering. imports, but Mr. Hunter shows ow tariff will produce a surplus Treasory, to the great detriment of the business of the control of the control, or shall it be definited if the desperate purpose to provoke a blow from his sons who contemplate enigration to any of the General Government does not want it.
