HOSTETTER'S STOMACH BITTERS.

The proprietors and manufacturers of HOS-TETTAPS CELEBRATED STOMACH SIT-TERS on appeal with perfect confesses to physigana seed estimes generally of the Innied Status because the article has attained a reput tation hereforce customers. A few facts upon time point will appeal more powerfully than schemes of bare assertion or basoning puffery. The consumption of Husteiter a Stomach Dis-tress for the last year amounted to over a half-milton bottles, and from its manufact steady mercane in time past, it is ervident that during the coming year the consumption will reach near our million buttler. This immense amount, pould upwer have been sold tan for the rare endicital properties contained in the prepara-endicial properties contained in the prepara-

connected their victims by hundreds. To be able to state conflicintly that the "Bitters" are a certain cure for the Dyappela and like therace, is to the proprietors a source of unstilloyed pleasure. It removes all mothed matter from the sicunach, not the proprietors a source of unstilloyed pleasure. It removes all mothed matter from the sicunach, in the second proprietor of the following the source of the following of his mothed the source of the fonctions of nature.

Etterly persona may use the Bitters daily as per directions on the bottle, and they will find in it attenuisant peculiarly adapted to comfort declining years, as it is pleasant to the polate, in reportant to the bowels, excellent as a tonic, and representing generally.
