TERMS.

on Forling the 20th, as that was the day M'emischic constant and limited on Chinestering.

This Olin Flast will be issued again to morrow, and we hape to publish it regus-bally thereaster until its mission is fulfill-ed. Our list of subscribers wite silvestroyed, and it is still quite imperfect, notwith-standing the efforts we have under to dis-plicate it. We shall regard it as a favor if Post Masters will give us the names of pressum who received chiles at their re-spective offices, with the number of pa-pers in each.

WWM or CHANDESON RG,

give in two day's paper a detailed
to of the the brewing and sacking
tamber-shang on the both at by the
surface content of term McCane.

Appailing as is the account given
treparty, so plar from dailing in
greations, it falls far, very lar short of
material by the barbarrow bas. Sacy
to the day of the content of the
material by the barbarrow bas. Sacy
to burger a contraction that contents of the
material by the barbarrow bas.

understand why the thef, with a remman of chaines, should resurt to fished-most to pallate his crimes; but for the men in the Korth, who cowarily skalk, and whine over robel fished-most to extenuate robel arrectives there can be never as seen the common law that bittels men of his experience of the state of the systems of the state of the systems of

WANTED A POLICY.

The deliberate wanton robbery and burning of Chambersburg, a deferecelestown, by order of tien, about A. Early, one of the corps commanders of tien, Lee's rang, demands the prompers and most decisive action of our government. It must be horne in mind that while the vanishes were also the source of the corps commanders of tien. It was a decisive action of our government. It must be horne in mind that while the vanishes been and bid them steed and steering indication that the service but the meaner instruments decailed to do for Earley what he was abaned to do bimself. Coming thus from one of the trusted Lieutenants of Gen. Lee, while the vanishes of Myamshand are mone the less common robbers, the responsibility of the commander of the insurgent army of Northern Virginia. It Myamshand had burned and plundered Chambersburg in a fit of drunkenness or to grafify sometics and the commander of the insurgent army from the superiors, the responsibility would have been his own; but when a corps commander under special orders from the content of the commander of the interest and to be seen to be seen to be a superiors. It was not be saked and destroyed by the without even the prefer that are, of its cities had violated the accepted rules of civilized warfars, the government of the act.

We have minimally depresented in these columns the manter destruction of private property by our armites, and even with our own houses deschied, and thousands of our citizens houseless and musty, very many penniless, we adhere to the same consistency of the true theory that all the support of the true theory that all the weight to the true theory that all the weight to the true theory that all the words.

1

of it but appression to state state, and it but appression to the property. That it has been to give the table people from reliable beauting it will analyse people from reliable but and its people from reliable the people from the people from the from the people from beautiful of humanity and justice. We have been asserted by proteined in Bulliable from the people from the from the people from the from the people from the from

in that they were not exception to allow of the growth State of the control of th randers gives and his wanten and standard through the following. If it to did d same 2000 to the trade is the could be same 2000 to the trade is now. York was set the badded citi on a New York was set the maje state of a thousand or sof an infamental more might not the Telema at least have been just to 300 ditions for hability to detect a 0.000 trained non-with two batteries? If shame be sill left to New York, the Telema saily needs to bottow of that commodity. The sew may much mistaken the Telema'c flow in search of a vietnia have resulted it finding the othering in Mr. Greekey's botts. He is we forme to the homous of the achieves made.

but measures is still martened feel; and as if in contragat of the circles of power of our government actions are still martened feel; and as if in contragat of the circles of power of our government actions or all accepted and plundered when we head it. If the towns or the South, and can reach a sente of others in as many days. For the shabitand and growing violations or all accepted tubes of war, there must be a remove that the contrage of the contempt of friend and fine.

The insurgent columns are still bovering on the Power of the contrage to emphatic to be units with the contempt of friend and fine.

The insurgent columns are still bovering on the Power of the contrage to emphatic to be units with the contempt of friend and fine.

The insurgent columns are still bovering on the Power of the government to say in language too emphatic to be units understood that no violation of the magest eightfur the power of the contraged to the contrage to the power that must ever be cherished for a faithful government. It is not yet too late, however the book of the power of the contrage to the power of the contrage to the con

The new Militia bill passed by the legislatine on Friday last provides for a loan of \$50,00000. and authorizes the organization of fiscen regiments to be called the State Guard, to be composed of sink proportions of infantry, artifley and easily as may be deemed best. The mentary to be mastered into the service of the State for the term of three years unless somer discharged. They may be called upon at any time by the Governor to repel invasion or suppress insurvection, and may partition of them deemed beer stay for the state of the time while the way has an advertised of the state of the time while the way has an advertised of the time while the way has an advertised of the state of the costs will be armed, equipped, drilled at stated periods, and trend for the man and the time while the way has a small be armed, equipped, drilled at stated periods, and tread for dayly showever called upon. They will be paid and rationed the same exchanges in the United States services in the "Linet States services when on actual duty. We have no assumere that men enlisted in this corps will be exempt from draft into the United States service; but we have some that all who may be exempt from draft into the United States service; but we have some threat in the service of the general government in case they are drafted. We do not not see they are drafted, we do not not seen that the service of the general government in case they are drafted. We do not not make the barder all the time, underford with its form of the load in the propose, and all others can join the receiver equipment and thus be ready and qualified for their own defence at any time it may be necessary. We shall find from for the bill in full in our next issue.

stry. We shall find room for the bill in full in our rext issue.

The Union men of Perry county have manimously nominated Samer Rotte. Esq. for Assembly, and dispensed with the necessity of a legislature conference, by concerning in the nomination of A. K. MCC, nr. of Franklin, as the other Union candidate. Mr. Routh is a most worthy gendeman a sound Union manimal will be credially supported by the Union party of the effects specification of the dispension of the dispension of the dispension of the form specific or the repeat of the framework counties discardinated from the so-called Democrate counties discardinated from the so-called Democraty tendencies of that party. While others have been faithless, and relapsed into the cubrace of the freshoft the Union. Perry Lass stood with unfaltering fidelity, in cell and good report, to the cause of Freedom; and the sarely-tried but ever faithful Union men of Pranklin will extend the hand of follow ship to the loyal men of Little Perry, and make common cause with them to electrone Representatives.

The vote of the legislative district for forceron trafil was an follows:

Franklin [1] was an follows:

| Curry Western | Curry | Curr

GEN. CAMERON has called the Union State Committee to meet at the Committee Rooms in Philadelphia, on Thursday Sep-tember 1st, at 4 P. M.—A full attendance is requested.

Tax logislature jave appropriated the pittled sum of \$100,000 to the sufficiers of Camabersberg, subjects that poor atonomens for the negligines of a great State to sifteed pretection is in own people, was related by the regislature upon those shoulders must rest a large share of the responsibility for the shortested our citizens have suffered. If our people had appealed to the legislature for almo, wherevish to clothe the shortested on which the challed or feed the hungry, the response high the considerer! resonativitie: I but the taked or feed the hungry, the response hight be considered resonativitie: I but the ledgo-list citizens of Chambershurg were set mendlength at the down of the jegislature. They are an integral part of the people of a mighty Commonwealth, who hear their full alarse of the burden of government, and they have a right to demand as the reciproral duty of the Statethat, when in its power at least, they plantly have protection is return for their willing tribute and fishthal allegioner.

To this just defauted the legislature has traved a defer on. Heing thevoid of speculation and harve to legislature continuations, it could carryly help but full in a body demoralized by a protracted a social near interval and the street in the plantlered possible part of the border, and the lower part of the horder, and the bounders and large-less of Chambershurg and plantlered passed of the horder, and the bounders and should endow the surface of the street, and started and seventrally indeeming and plantlered passed of the horder, and the bounders and should endow the contribution of the street of the stree
