Salves P. Class was nominated by the President as Chief Austre of the Uni-red Seates to Theoday of Inst. week, and southwest by the Senate without a refer-sors. Mr. Classe is confessably one of the ablest of our living jurkes and states were, and loss filled various most responsible

remembers Lincolaire forth annual mage needs no comment. It to brief, ctienly from all imbiguities, and we a singleness of purpose to maintain seared Mationality, from the first to last parigraph. It meets the just extended of the May people by professing duting of the Slavery, question by commitmed amendment, and the dead of the first to the dead of the Marian Marian and the mean of the Marian Mar submitting to the national authority inder the constitution. After as muck the
government could not if it would, maintain van against them. The live of the
government could not if if y spections about it in main it would adjust then
fug the powerful means of lapistation, conference are not extra one for agenting only
in constitutional and laughit channels."
Had be suffiless the multi-have fallershort of his haling shift to the logal perplet of the Nation; think his said more lescould lance given represed hope to the
pairing traitors. Equally pointed, and in
farmony with the deliberative expressed
for the trait of the people, has his declaration
like if the people make it a dary to rerelated the surprise of the results of the proform is.

How Joses W. Penney is strongly appellor a question in Prosident Linedon's cabinet to the press of this State-recardless of internal divisions; in the I'mo party; and standy various prominent politicians, who could not easily be concernited on subject to the Versident Linedon's prominent politicians, who could not easily be concernited on subject to the Constitution of the Constituti

of Ways and Means, the bill was strongled on the strong of the strong of
