# Stapmen Bretttar.

STAUNION, VA. TUESDAY. APRIL 1, 1862.

Mattie Hear Winehnster.
For several days previously to going to previous week, and up to the time of the issue of the paper, it was estrently reported and confidents believed here that the occumy, from some same naknown, bad retreated precipitately be your Winehester, and the Chil. Askibly's availty has possession of that town. It was reported by various persons who came up the Valley that C. Ashible's Cavarry had 1996 exversed of the error day, however, that the paper was brown, we received the many settle distelligence that a battle does not have been been dependent of the first R was perevised that Gun Jack and been despite on Sinday a vasiing, the 38.d of March. At first R was perevised that Gun Jack and been despited by a traitor who missippresented the number and locality of the enemy, Mattle Rear Winderster. aon had been dessived by a traiter who missip-resented the number and heality of the enemy, and that he was eaught in an ambaseade sur-repolsed with heavy loss. It was not long hore-ever, before later and more reliable information was obtained, which established that the first unfavorable reports were erronsous in almost every particular. The engagement was brought on by our own forces, and one of the bloodiest battles of the war was fought about first miler this side of Winchester, and about one mile t the left or Wost of the Me Adamized Torspike the last or West of the Mc Adamised Torapike road. Though our force in the action did not exceed 2.700, whilst the force of the enemy is estimated to have been between 17 and 95,000. estimated to have been between 17 and 20,000; we lost in killed, wounded and prisoners not more than 400, whilst the loss of the every in killed and wounded is supposed to be between 1,700 and 3,100. This bettle will serve to show the second how Yingsteen will their in defense 1.4. coom now virginizes will uge: in the state with the State which gave then tirth, and of the rights and honor of the South. This batt's will increase the fame and add now glory to the "Stonwall Brigade." Such is the well-serned fame of the "Stonwall Brigade" that any solutions.

name of the "Stonewall Frigato" that any sol-dier may be proad to belong to it.

From a letter received in this place from Win-chester we learn that the enemy bad 17 of our men as prisoners, 66 of whom were wourded.— They were sent on to Baltimora. When they existed to Windowski. It implicated South. arrived in Winchester, the true-hearted Southern ladies of that place, in spite of the demonite and vergein looks of the commy, with load huzzas for Jef. Davis and the Southern C ante 'error rushes to where our 'prisoners were, that they might contribute to their confort. Our uses, though prisoners, were in good spirits, and obse Davis and the success of the South.

Support the Paintire of Proc S lakers.

Now that nearly all the able-bodied men of the State are in the military service of their occustry and as a great many of them are poor men who have left their families to rally to the defence

I, 41 Va Regot. C, 42d 4 D, 27th 4 I, 2nd 4

We under tand shat, just as the battle was about to commence, the "Shriver Greys," a company of only 31 men from Wheeling, command pany of only 31 mee from wheeling, command ed by Opt. — Shriver, belonging to the 27th Regiment, commanded by Col. Jun Echols of Mooree county, were thrown out as akinnisher to ascertain where some. (the Yanker regiments were who were supporting some batteries of the anemy, when they were fixed upon by three reg imente. This gallant it the band of heroes not a all dannted, returned the fire-thea felt back : short distance, loaded a d fired again, and thus abort distance, lossed a dired again, and the continued the very unequal context of \$1\$ met-against near \$0,000 and they were rejuised by their regiment. Coll. Echols, the galant com-mander of the "bloody 27th" received a sever-sporal is his left arm near the shoulder. Het-tow at a private tonce in this place, and is d-ing very sell. There will be no necessity to take his arm off.

we lost three calcons and two pieces of arti-ery—one piece belonged to the "West August-Artillery," rose Stannton, commanded b. Capa Waters and the other belonged to the Artitler mpany troin Lexington, commanded by Cap deGlaughlin, formerly by Capt. Pendleton-th

During this battle two of our regiments, (the dand Sfth, we believe) and one or more regions of the enemy hard a root for a stone fence, ob party trying to reach, it before the other at they inglit bave the advantage of the procision which his sance would afford. Our regions reached, the fines by the time sike regions. nts of the energy got within thirty yards of it, his separation
