Staunten Spectator.

ATAINTON, VA. ABESDAT, JULY 2, 1861.

Attention, Delinquents.
Those who ke sw them shave to be indulted to the "Shouther Office" for advertising or jub work as mann as possible. Bills for jub work as most respectfully and earnestly request to see a same as possible. Bills for jub work are does as some as the time for which advertising as some as the time for which advertising the ware does not be into for advertising as some as the time for which advertise some ware offered to be published explices. Any time given on such bills is an indulgance to the per on owing them.

and it is not better.

Josephin D. Higherman and the company A.—Pullip II. The Strickler, It of Higherman and an analysis of the company A.—Pullip II. The Strickler, It of Higherman and A. As the three second of the company A.—The Higherman and A.—The Higher in well doing. Whilst we know that the close of which places have been doing their duty faithfully, we feel convinced that the same number no where have dose more than the ladies of this place. It is because we know they have been actuated by the very best and most disinterested motives that without the human heart. Shat we are deeply mortified to learn from one of their numbe that it has been reported in some places in the county that they have charged of the human heart. This is

some of Lincoln's soldiers, which has ever bring recorded in all the annual of ceitifized surfaces. Two of Lincoln's soldiers, which has ever bring the control of the professed purpose of bringing some clashes to use of his me whom we had as a prisoner. On their reture, they fired goods Mr. Dubense house the found alone of picket days. He was shot in the abdoman, and is seriously, if no learning the control of the return they will alone and it reaches the states of the two strengths of the control of the return they had as a prisoner. On their return, they fired goods Mr. Dubense house the found alone of picket days. He was shot in the abdoman, and is seriously, if no learning the control of the return that the strengths are the states of the strengths and the return the strengths of the strengths and it reaches to our force to the strengths of the strengths and the return the strengths of the strengths and the return that the strengths are the strengths of the strengths and the strengths and the strengths of the strengths and the strengths
