"Veritas" vorsus Baldwin

Our readers will be amused when they read The readers will be anosed when they read be commolication published in another column igned "Veritas." The legic of the writer is of very remarkable kind. If Aristotle and Whate-g, sould have seen that commonds aften they rould doubties have been convinced that they what of legic were worthless. "Veritas" say-hat.

And yet col. nawn, me soon, talented an brave," who is now risking the life to make suc-emental the "resistance of the peuple to encrosslo-ments apon their rights by Federal Power," whit is somitting "State Rights against Federal mon-pation and tyrauny" is declared by "Veritas" in with the Hamiltonian school of politicians
O, most lame and impotent conclusion!"

"Worktan" forther says:
"He (Baldwin) does not believe in the princiles of government which lie at the fonuarioit be Southern Confederacy and for which or
give armies are now breasting the storm oeath that sweep over the battle field."

And yet Col. Baldwin, in detence of the free-

on and independence of the Southern Couled soy, is now "breasting the storm of death that over the battle field." Is Col. Baldwin

by the people of this county by nearly a unaniby the people of this county by nearly a unana-monus vote—the second, he agreed to accept with all its labors and perils, though by so doing he gave up "his easy berth of Impector General," an office of higher rank and more pay and atten-ded with no dar ger—the other two are not offi-ces of profit or emolument and were conferred upon blin by his political opponents, "Verticas" as as that.

the growth of the Confederate States.

This proposition wedo not deny, but maintain that if it be true, then are the political views of Col. Baildwin in "exact harmony with the interest; the honor, and the growth of the Confederate." ate States," for their "views" were the same as late as November last, as the following brief

About the let of November last, forty eight

About the let of November last, forty eight persons published a call in both the papers of this place, "recommending that the people of Angusta, irrespective of party, a semble in mass meeting at Stanton, on Saturday, November 17 h, 1800, to consult as to what siejs are (were) accessing the preservation of the Union in the (thru) present slarming condition of our country."

In accordance with that call, the people assembled, when, or motion, it was resolved that a committee or intrinsant should be appointed who should "consider and report to the people of Augusta on the 4th Monday of November arch maters and resolves as as in committee of resolves as as in committee of resolves as as in committee of could be reported by the country of the people of Augusta on the 4th Monday of November arch maters and resolves as as in committee of could be reported by the country of the people of Augusta on the 4th Monday of November arch maters and resolves as as in committee out of the people of Augusta on the did dopt." The following gen lemen constituted that committee: tion, A. H. Stoart at the people of the people deem expedient for the people of Angusta to counsider fail adopts." The following gen-leunen constituted that committee: Hon. A. H. Stoart, H. W. Sheffey, Goo. Baylor, Jap. B. Ballowin, Kertost-Harpes, Joo. L. Peyton, Joo. D. Imboden, Goo. M. Coolirao, Jr., Joseph A. Waddell, Joo. Miclia, Booj. Orawiord, G. B. Stoart and Robe Gib.

which should be second of Col. Baldwin and Col. Harper at tame were the same.

Giorio is Victory at Sasta Ross Island.
A special dispatch dated Pensaols, Oct. 9, states that a thousand Confederates, under the command of Get., Anderson, crossed life bayland right, labels at Sasta Ross Island at 2 o'clicek in the morning, and stormed the camp of Billy Willou's 2 Nove, burning and destroying every building except, the hospital; also destroying an immense quantity of ratios,—equipments, serves, and summitties, and spiking their cannon. They effected a total destruction of the camp.—The loss of the encony was very great. The loss The loss of the enemy was very great. The loss of the Confederates was forty killed and would

us go forward and put our house in order for the future. As a first prerequisite, let us employ suithful stewards, that we may give, when their foture. As a first prerequisite, let us employ rathful severade, that we may give, when their good and faithful servants. "

We ask, in this connection, does Col. Baldwin furnish in his life and character any evidence that he comes up to the requirements of the times? We answer emphatically that he does. He is a STARE RIGHER MAY—as our institutions are now organized, and this, too, of the strictest freed or constitutional liberty and free institutions; an housest man and tree patriot.—

Endowed by nature with an intellect of nacommon wigor which has been carefully trained and cultivated, and with honor, and integrity above.

We are indebted to the Richington Examines and the state of the state of

Killed and Wonneded at the Battle on Green-brief Mixer.

We are indebted to the Richmond Examiner for the following list of the killed and wounded of our forces in the battle of the 3rd intra, on Greenbrief River:

Of Capt. Riccia Artillery—Killed: Sergeant Graves, private Fuler. Wounded: Capt. Ricc. to show off; private Rolled, arm, highly.

Of Capt. Shounded Artillery—Wounded Capt. Ricking, in the high, severely; privates Captain Shounded a Artillery—Wounded Captain Shounded in the high, severely; privates Letten, in the high, severely; privates the high, severely; privates with the high, severely; Dickenson, in the slid, signify; Graveley; in the legs alignity.

Of Toward it of Regionart Virginia Volonteers—Company II, Capt. Tomphins commanda—Wounded: Private Finning, in the head, severely. Co peany K. Captain Walton commanding—Wounded: Private Friening, in the
