means, and the repture of the vertebra, the nerves and all the argums of the head, kill ANDREW IL CONCRETE or repeated the suggest of the blood, kill-ed the whole budy as once and instantan-county. Neveral experiments were made at Vicona. Some appleases were to be extented, and several instinct man, who had alwayly disputed the correctness of the statestum of Dr Gallington, abining Winners, the side of some and the Goldenian Markets and the Goldenian Markets and the Goldenian Markets and the Goldenian Markets and the State of the Community Indiana Markets and the State of the Goldenian Markets and the State of the State of the Goldenian Markets and the powered stollars in Administration of the A of the subsequent of Dr. Galilloth, obtained permission to amenia as the emfold during the execution, and when a bend was out off it was delivared to them. The first was that of a young man. The system were cloud and the toughte protuded. Eight minutes were glowed to expire, then the tongue was pricked with a pin, when it was drawn in sed the face made a grimthe respective districts: And minume, the re-mains of the present elective holds on Tunning, the 94th day of October last. In and for the neural hierarchy for numbers (19 owers in the Binner of Representatives of the Congesse of the United States, for the term of two years, the United States, for the term of two years, the property of the Congesse of the Congesse of the United States, for the term of two years, have been received in the office of the Recei-rage of the Commonwealth, appealing to the provisions of the above revision and, whereby in a papears the in the Birth Interfect, unknown of the Named, Third, Pourth, Fifth, Stith and Several wavel, in the city of Harbert States (Several wavel, in the city of Harbert States), the Second Districts of the city of Third-lights, Charles O'Rell has been day selected, in the Second District, and Twenth and in the city of Third-lights, Charles O'Rell has been day selected, in the Third Districts, aspended of the Twellin, Thirteenth, Shatesenth, Sweethershi, in the city are indicative of pain. The second was that of a woman. The eyes were open, and their supplication looks were as on the eyes turned toward the side from whome the weman's name was called. A third hand was that of the most guilty of the criminals. A slap was given to face when the eyes opened, the face thathou with an indescribable expression of auger and ferocity, and a shudder of any nish was visible on the need being touched How PONTOON BRIDGER ARE MATEbonts are flat bottomed, thirty Lighteenth and Nineteenth marks, in the city of Philadelphie, Leonard Myers has been duly feet long, two and a half feet deep in the reinderpass, Lionard Styers has been duly-lied c in the Fourth District, compound of Fourteenth, Pifteenth, Twentisth, Twenty-and Twanty-fourth words, in the city of indelphia, William D. Keily has been duly swelling out at the sides to the width of Bach fits on a renoing gear of tjes and Twenty-fourth wards, in the city of Philiodylphia, William D. Kelly Jah Deng dirjy sheked; in the Phili District, composed of the marty-second, Twenty-thich and Twenty-dirk, artist, in the city of Philadelphia, and the county of Books, M. Ressell Thay's has been inly selected; in the Stath District, composed of the counties of Montgomery and Length, John D. Stales has been duty sleeted; in the second District recognition of the Con-

four wheels, and is seed as baggage wagou for the poutconicre, carrying its proportion of string pieces and of plant. On reaching a river the boats are unloaded, floated scross by cables made fast up the stream then the string pieces are laid across from one best tothe next; and on these are pla-ced the planks, each swenty-one feet long. Servath District, composed of the counties of theseer and District, John M. Broomali has been duly rivited, in the Eighth District, conplace of the county of herita, Spinshana at III. It is a few sight for the many posed of the county of herita, composed of herita, composed of the county of herita, composed of of the county of Serks, Sydmanam E. It is a fine sight to see a regiment county has been duly elected; in the Ninth to a river bank, with a pontoon train, un-load and launch their boats, moor in line, and in less than five minutes from the time when the word "halt" was given, have a brigo, six hundred featin length, over which an army can safely pass with artil-BOOTS AND SHOES,
