PRIDAY MORNING, JANUARY M. 1606.

quiet remains along the whole of our lines in front of Peters and not a breath of news to re-

poil from that quarter for several dara past.

From our lines below Richmond we have hear that everything is quiet, with the exception of some heavy firing supposed to be from our hatteries bearing on the mouth of the Dutch Gap canal. The otherwise, dispatch from Can. Beauregard gives the latest intelligence from the army of Gen. Hood.

Gen Hood reports from Tupide January 6, 1805, that Thomas appared to be moving on the Tennesser view.

Until 9 of the Control of the American Policy of the property of the past of the past property and pasted savanish, going toward. East Peins, leaded with traps and application.

A Lesson to be Learned.

When the immense armament of the fty-nine vessels of Porter's fleet were filty-nine ressess of Porter's fleet were hammering away upon the walls of Port Fisher, no don't the smell force there, called upon to resist the terrible armada brought to bear upon it, with its accompanying twenty-thousand under Bulleriab Beas, trembled sand under Builer the Beast, trembled for the result, and perhaps felt that they must succumb before the vast host arrayed against them, yet clung with an Eastern devotion to their cause and battled more sterngly for the right. During all this terrible bour-lardment "not a gun," says the gal-lant commandant, "was abandoned." The hosts under Butley vitices of the The hear under Buttor ritnessed the last of the property of th

is defence is acknowedged and fail ure.

The came of the Confederacy in the cybe of some from their writings and their conversations, is very much in the condition of Fort Fisher. They tremble for the result. Let each one sake a losson from the noble defenders of Fort Fisher, and determine to stand.

We are informed that the connorts wereheed to distribute quality and hope those who did not get a full share may muderated that the intentions have mod, if the circumstances were such as to prevent the forwarding a proportisance quantity. For those who failed by he the recipient of what was intended for them we hope better luck next these."
