POETRY.

And close by the sade of our hed,
This precious little bundle
Every night is laid
Saug in her little "trundle;"
Husting so weet, that it sometimes seems
Good angels must talk to the child in her dr

She nesties right down in her "trundle-bed."
The clothes are all faided ment,
in winter all saught neck d in.
The "two-relst," blanker, and sheet,
The saught neck desiring is clour;
The all you can see is her haby-hand.
As ahe sleeps for the night in her "trundle-bed.

And prayers such as parents (ed.)
We send up to the saims;
For we hear of death, and we come to dread,
The loss of our child from her "trundle bed."

We think-yes, often we think, And what if the child should die! Affection hath rear'd her shrine, By the lowliest things of earth,

'Round the spot that gave us to Thus we love the place where our bat And affection her nightly vigil keeps.

'Tis a plain, old-fashioned thing, That hitle baby bed, Where love doth her offerings bring, And angels lightly tread; a chord may be touch'd by the meren

We love it; and who shall dare,

here she raised her hors—she couldn't give them who, and the rich, outgrow the every day wanta-larnin', but she taught in better things than of homonity, and feeling within themselves the hooks rain give; to be honest, and useful, and leaves to more singlifty—same by the humble of industrious. Nhe taught us to be tratiful and true, to stand by a friend, and be secured as a superstance of the same given to the same given to a memory. If say the labelied here, with our ed, some girant work to be a complished; and with many a terr and sob, folling to find the great deep, live and die, in-terned quiselyes away from the value where generated in the constant of the
