POETRY.

Ah! no music was so sweet, As the patter of her feet, On the floor, at the door, My returning steps to meet.

And the eyes that looked and loved, While the heart responsive moved, Golden tress, soft caress, How fleeting have they proved!

**Extraction April 19. 1987. Classing flows.

**Lang (Lang. A large law of law) langes on the sleep state of the form.

**Lang. Class. A large law of law of

ricos, not by an infuriated populace, (would that we could say it?) but by more than one hundred of the most respectable citizens of Bock-

senogh to protect the people in their rights of person and property. Upon a representation of person and property. Upon a representation of the character of Randisl, and their appeals on the character of Randisl, and their appeals on the character of Randisl, and their oppeals on the sent to their own lands, we venture to say there is not a justice of the peace in Rockingham who would not have bound him is now would be personally and in the confessions to a personal think has been a sar that confessions to a personal think has been a sar that confessions to a personal think has been a sar that confessions to a personal think has been a sar that confessions to a personal think has been a sar that confessions to a personal think has been a sar that confessions to a personal think has been a sar that confessions to a personal think has been a sar that confessions to a personal think has been a sar that confessions to a personal think has been a sar that confessions to a personal think has been a sar that confessions to a personal think has been a sar that confessions to a personal think has been a sar that confessions to a personal think has been a sar that confessions to a personal think has been a sar that confession to the personal think has been a sar that the sar that the sar that the sar that the same while the same that the same while the same while the minist and the investment of the personal think has been a sar that the same while the same while the minist and the minist and the investment of the personal think has been and the minist and the mini

He supposes that one-third, or one-half of the Mormons who are dispated with Young's transity, would rise against him were they protected by the United States Troops.

Mr. Burr does not apprehend that the Mormons will show fight. It is the duty of every good Mormon to obey the Cherch, as a higher law, and hence the opinion entertained that lirightan Noung may leave the Territory with a triple of the Cherch, as a higher law, and thence the opinion entertained that lirightan Noung may leave the Territory with a triple of the Cherch, as a higher law, and thence the opinion entertained that I was the continuous them to the provided here are tool long to the continuous them to the provided here are tool to be provided by the continuous them to the provided here to

MISCELLANEOUS.

The official returns show that Judge Hopkins has been elected to Congress in the Thirteenth District, over E. R. Martin, by 51 majority.
Wirmonawat.—Col. Charles H. Lawis has relied from the official conduct of the Richmond National American. Mr. E. W. Perry, is now sole editor.

National American. art. it. 11. 2017, in more solve editor.

Telegraph Line.—The telegraph line between Richmond and Charlotterville will be completed by the 20th inst. The entire line to Staunton will be completed in a short time.

This Fillingure.—Gen. Walker at last accounts was in Washington City with his suite. He called on the President, and was "kindly received. Grand preparations were making at New York for his reception.

By an almost unanimous vote, the Baptist Association of Virginia, in session at Petersburg, on the 8th, resolved to withdraw their countenance and support from the American Tract Society.

The County Court of Hardy, on Monday of last week, fixed their County Levy at one dollar and eighty cents for the present year.

The County Levy of Frederick is one dollar and thirty cents.

saved was Mr. S. W. PERING, or Unitrolocation. There is a curious fact resid to exist a few miles south of Greencastle, Putnam county, in, where there is a family of sir, all having the same birthday. The father and mother are each system of the children respectively, 14, 18, and 5 pears old. Their birthdays come on the 17th, of Mar.

I'th of May.

THE CATER OF HIS DEFEAT.—General Walker says it was the press and not the Costa Bicans who defeated him in Nicaragus. It is a good indication to see those disposed to acknowledge no other proper restraint, admit that the press has moral force enough in it to be a check upon women and outgase.

BATH AND ALLEGRANT.—The vote for memer of the House of Delegates in this district

STABLE AND MELES HERNED.—On last Friday night, the stable of Mr. F. S. Tutwiler, about a mile and a half from town, was entirely consumed by fire, with vix valuable nules. The loss, including stable, mules, harness, &c. is estimated at from \$1.800 to \$2,000. The fire is generally believed to be the work of an incendiary—Lexington Gueette.

nal feeling and corons good win.

Heavy Roberty.—A Cuban stateman, who arrived at New York a few days wide from New Corleans, put up at the the public bones, No. 43 Walker street, where he was last night robbed of \$20,000 in doubloons and \$300 in silver. The money was in bags in his trunk, and the robbery was committed during his temporary Complaint was made to the joilee,
