franklin. Mepository.

All Specimens to the product of the We give on the first page of to-day's paper a may that will just now be examed with peculiar interest by all our readers. It precents at a glance the whole theatre of the operations of Grant. Sherman, and enables us to appreciate how triumphantly the Union armies have been in the ever memorable campaigns of 1894. (me year ago Sherman was at Chattanooga—not marked on the map but near to the western centre where Cleaveland appears—while Johnston held Daiton and all the country South of it with the second strongest army that treason possessed, and had the advantage of a mountainous country naturally susceptible of casy defence. Longstreet besiged Knowthle and for a time serionaly threatened our forces in that important position. Grant, after maturing the grand campaign that Sherman has so brilliantly exceeded, left his trusted Lieutenant and assumed the immediate direction of the Army of the Potomac. Simultaneously the two great columns moved against the fee, and the paths from the Rapidan to the James, and from Chattanoogs to Atlanta. are deeply crimsoned with our mobilest blood. But treason internably demanded the sacrifice, and it had to be given as the price of the preservation of our liberties.

Then the traitor's conspiracy could boast of three strong, highly disciplined and hersic armises, but the cumpaign of 1864 has literally extreminated two of them, and that of Lee alone remains, broken and dispirited, to withstand the pending struggle intensity of the same of the relation of the same of the remains and the total campaign of 1864 has literally extreminated two of them, and that of Lee alone remains, broken and dispirited, to withstand the pending struggle into must soon come for the rebel capital. Johnston defended and retreated before the consummate of the Samus mutil half his warriors were dead or disabled, and was compelled to absanded that it must be recovered. He viaited the army of Hood in person, and desarred them that they would soon reveil in Tennessee and Kentecky again, and that Athanta would
