You needs,'t hungh at that; old Ja-vob nerved did anything without a meaning to it. That old obsides may help bins to be great yet. Par-is, I think myself, if Jacob had left him money it might have been the ratio of him. Less things thus a one-horse chaine have made a num's fur-

tune."
Well I'm glad you shink so much
of him; I don't, and Springe.
No, muttered Ion, as his neighbor
turned away; 'but if he had married
your rawboased darrer that plays on
she forty plander. he doesn't all right."
A consborne chains, 'and Springe,
happing, 'what a meture."

And so it went from mouth to mouth. None of the relatives—some of them already rich—had offered the poorest man among thom, (the owner of a cus-herre chaine,) any of the be-quenthment left to him or her but they had rather rejoiced in his disap-pointment.

pointment. The fruth is, everybody prophesied that John Clarke, a poor, metherless loy, would come to ruin, and they wanted the prophesy to prove a true one. He had, in his youth been wild and wayward, and somewhat profi gate in the carly years of his man-hood; but his old uncle had encoursged him to reform held out hopes to which he had hitherto been a stranger —and the lows of the sweet young Jenny Brazier completed, as it a his reformation

Jonny never appeared as lovely as on that infertanate day the reading of the will, after they had returned to the poor little house that was Jenny's own.

No matter, John, she said cheer-fully, 'you will rise in spite of them. I wouldn't let them think I was in the twomant let them think I was in the least discouraged; that would please them for well. We are deing fine now; and you know, if they cut the railroad through our bit of land, the

railroad through our litt of hand, the money will set using quite comforta-bly. Lay't our home a happy one, if it is amail? And oh, John, by-and-by.' An sequent blash—agiance toward how work-bankes, east of which peoped the most deficate needlework, told the story—that ever-new story of fino

story—that ever-new story of fino-cence, brasity and belpleasness. For once, John Clarke stopped the gossip's mouth. He beld his bead up-manifuly—weaked standily at his trade, and every step elemed a sur-ativance and an appriard one. Baby was just six months old, when ten have I heard the unfortunate

the Railway Company paid into John Clarke's, hand a very handsome sum for the privilege of setting a railway through his little field.

through his little field.

A hearhouse budy, a beautiful said industrious wrie, and a good round son from the railway company, thought John, with an house cruitation; twell, this is living!

John, and his wife, rising from her work, 'leak there;)

identy? "medicalm, putting the haby in the crade, then downwards. My patterner John I just look at that chikt—precious darling! I'm sure I don't know, John. I'd go over and see, and Japan. "Taint may San, I toll you," oaid

Trans may fam, I toll yon, said the loy, while John hurried on his coat and hat; 'my gracious! you'll say it shu'l flyn, when you come to see all them gold ablant, and the papers.'

This added wings to John's feet.

nd in a moment he stood bres in the wheelwright's shop

Wish you joy, my fine feller, ' cried Joe Hemp. that old chaise? I'm give you hundred, cried the old wheelwright,

Four hundred! repeated John Clarke, sphase. Yes, just look at it! You're a rich

man, sir, and I've glad of it! You de-serve to be, and the wheelwright, shaking John's hand heartily.

shaking John's hand heartily.
What do you suppose was the communication, delight, gratitude—the wild, wild joy that filled the heart of Ularke when he found the old chaine fined with gold and hank notes! I have a harmatha each tone the limites and mean the cushions, the linings, and everywhere they could be placed with out danger or injury.

Poor John-or rather rich John his head was nearly turned. It required all the balance of Jenny's nice equipose of character to keep his se-statis brain from spinning like a hum-ming top. Now he could build two status brant from spanning ties a sun-ming top. Now he could build two houses like his unde half bequested to his red-headed coupin, who had wished him joy when the will was read—the dear old unels! What a ganuse sorrow he felt as he thought genuine sorrew he felt as he thought of the many times he had heaped re-preaches upon his memory!

Imagine, if you can, dear reader, to peculiar feelings of the kind leads who had prophesied that John larke would no ne to grief.

At first, old Joe Hemp proposed to take the old chaise just as it was-linings stripped, bits of cloth hanging mining surpper, puts of cout hanging —and proclaim with a transper the glad tidings to 'the whole village, taking especial pains to stop before the house of Mr. Spriggs, and blowing load enough to drown all the forty pianos in the universe, but was noted done by the label of the transperse of the process of the process

roted down by John's kind little wife La! they'll all know of is' soon bough! she said, kissing the baby I wouldn't hart their feelings.

They did know of it, and a few years afterwards that all agreed that John Clarke had really tested out a really good man. So much for ki one-horse chaise.

PATRONIZING THE POOR .-- How of

orking man lectured, an if he were a little sharity-shilld, hunted as to his manal development, strictly Herral as to his Catechism, and called by Providence to walk all his days in a pinton of his more state. idence to walk all his days in a sta-tion of his represented on feather oc-casions by a play of wash, wilk and water and a bus.].
