Be. Henry Weel Beecher having acutinated time Butler for the Proidinery in
1868, the Pall Rivert Mass. Now, nominates the Bull Rivert Mass. Now, nominates the Berered mountablank of Pymount Church for the Vice Proidinery.
This strangement word in 8 many of the
clockul gentry having shandowed the service
of the Almighty for that of Ale Jacobn
and the Devil, that we think they should
be entitled to the highest offices in the nation. We would suggest the following.
For We would suggest the following.
Rev. Henry Ward Brazum, of N. York.
For Vice Praisidas.
Rev. J. Walkers Jackmont, of Penn's,
Der Governor.
We beave this latter position open, as
there are so many of the Poverseal derivthe place that we sit in the
hard the state of the position open, as
there are so many of the Poverseal derivthe place that we sit in the
hard the beautiful this had, all
lare to the force depths of degraters, i.e., in
the slims we set force the principles.

which of them has brought his h.; all line to the thorse depths of degraters, as in the sliney point of party politics. At the expiration of that period whoever has dived deptes and come op dirities that his the boundation. We don't intend to the ticket but suggest it for the between "longst franks."

John W. Formey is mentioned in con-nection with this office, and is warnly praised by sweened of the Abelian presen-tor shifty, integrity, and patriotize. For-cy's whifty has been manifested by his fri-futable arguments on both sides of all public questions. In homeny has been purrent by Roment John Corode, whose report shows

parties from it could only be vindicated by one of them blitte assemblies public panify a mation is twispeared; postophing its obilinginous is order to preserve the power to disobape them at a future day. When the pladge was triven, notes autosparid a possible continuous of the own for sayd alongs the continuous of the own for sayd alongs the claim as well as to be the continuous of the own for sayd alongs the claim as well as the claim of the possible payment of interest moring to as manual beyond the midsty of duties on import to supply.

III. Mr Tabdens Sevena surreduces a tall in the House of Representation to pay this continuous the continuous of the continuous and the sayd and the continuous of the

tan they are dually charged with design 1 and had roted in Knoor of the Intl. The public credit would have been shatered irreparable. As we have not extract descriptions for the public credit from the three distort tribes are known on what oles would then which make up the dominant party.
