S. HANKIBAL HANLIN, Vice Pr ent of the United States, will speak it hambersburg on Friday next, at 2 o'clock , and the people of all par desire to hear a candid. en sion of the iso and hear Mr. Hamlin. He is not eminen ed truth sways honest and ntelligent hearers, and but few can her him and err as to the duty of every pa-triot in the pending crisis. We hespeak for him, as we know he must receive the for him, as we know he must receive the most cordial velocome ever extended to a public speaker in our midot. Of hispre-ence here as the appointed time there is no reasonable doubt. He is now in the State speaking daily, and proposes to re-main until the last blow is struck against try's fors.

Unjow Max or PENSSYLVANIA! but twelve days remain to prepare for the great National struggle with those who pronounce the war a "failure," and depronounce the war a "tanture, mand that our victorious armies should sted to give a "cessation of hostil-o exhausted traitors. The time is short, the moments golden, the issue vital Republic.
With such a cause neutrality is impos-

With such a cause neutrality is impos-sible, indifference crisainal. With our gallant armies victorious on almost every field; with treason exhausted in its re-sources, broken in its credit, its despairing armies decimated by desertion, and field after field. and State after State surrea-dered to the heroic armies of the Vaion, the great work of preserving our govern-ment now and for all time is well nigh secomplished. "They have robbed the cradle and the grave" "osy the invincible Grant, and their last hope is the success of the Pease candidate at the next election? Loval men; ponder well the significant

he Posse candidate at the next election!

Loyal men! ponder well the significant
anguage of your great chieftain. You,
who have given your soon and brothers
to vindicate the integrity of the government against the murderous assaults of to vindicate the integrity of the government against the nurderous assualts of traisions; who have given freely of your trensures, and nourned the hervavement-with which you have been shadowed by a wanton war, turn not now upon the faithful warriors you have sent to the front and cloud their crimmonest fields and their wounds with shaine, and the graves of their marryed comrades with dishonor. Their served services are well nigh fut. Slied, their mission about to be completed—not by a humilisating surrender to oug barbarous focs, but by the crowning trigumph of the Union armies and the utter overchrow of treason.

ry, giving un promise of safety to distracted and plundered borders. red and enduring Peace. The ever bant Sheridan has again discomfited triumphant Sheridan has again discomfited our vandal foca, and sent them "whirling" back upon the land they have desolate back upon the land they have devoluted by crime. Shall these trimphs be voted "shilured"—shall these victories be wated by resting over the graves of our publi-sons ascrillood to preserve, out free inst-tucts, and coording a "creation of hos-tilities!" Every dictate of patriotism, of humanity, of honor, and of safety forbid-ic When trisings with desilination in the

tilities? Every dictate of partiotism, of humanity, of honor, and of safety forbids it. When traitors yield obedience to the laws—the same to which we yield willing obedience—the war will be ended, and ended with honor to the Republic.

Unux Must! Let here be a rully along the ended with honor to the Republic.

Unux Must! Let here be a rully along the ended were Pennsylvania has declared for the Union by over eleven thousands but it is due to the gallant aimy that has given an victory and preserved our porerment, that hoyal men at house shall protect the rear while they protect the rine front. The home vote of Pennsylvania can and with, declare for Liberty and Law—for Linesia and the Union, and let no man fatter or leasting because the result is certain. The more decisive is the verdict for the government, the somer we shall reach Pener, the more throughly will the laws be viodicated, and the more overwhelming will be the disconstitute and despair of traitors in the field. Their lack hope will vanish as the North with one voice declares that there shall be no degrading compromise with perjaned traitors, to give fresh life for mad authition to erimme new fields in our future history.

Ohlo, Indiana and Maryland seed me

sent deep and decidy the thrust into the very vitals of our Country's foes. Let one, and all make common cause with them; let us join hearts and hands to give Victory to Right. Peace by Union and Freedom to this fairest of man's inheritance. For-ward, Loyal Men! The hour of fuul triumph seems just at hand, and let us greet and strengthen every hope that beats for Fnion and Law, and drive into utter consion and dishonor, the faithless men who would bring shame to our brave soldiery disaster to our government, and anarchy tothirty millions of people. On to Victory

Nec countrivillate the Spierit. True, it had it country ticked vit than lost merely if not quite all its district televie; it has lost the vite the House by merely two thirds; if has lost the Senate by mireteen to fourieved; it has lost the Senate by mireteen to fourieved; it has lost the stream of the vite of the Senate by mireteen to fourieved; it has lost the stream of the mireteen of the stream of the

look well to the setting sun that leaves the septents wiggling talls with their occupation gone. Control is wrigglied in as "endorsed," and "by a majority of seven hundred," when it was known to eyen very wriggling body that if not atterly defeated, it is because hundreds of brave soldiers have been mable to east their votes against him. "Kinnell received a majority of 25% and is probabily is to be wriggled against four times hundred anajority on the whole year was the probability is to be wriggled against from two to those hundred anajority on the whole year, would puzzle any but one who errigides by rule. Again it wriggles and declares that "the read to fitchet election for Franklin county was a glorious triumph for the Democracy," although in content of repose, it allowed the significant much to be entered that increased of huyes soldiers his sorrier. I dishift profess to has some if the property of the content of the process of the property of the content of the process of the or traitors in the field. Their sevent bond, as it strutting in victoriums, and still vanish as the North with declares that there shall be mecousprounds with perjured traits of fresh life for mad analyting to see the life or mad analyting to white the structure of the life or mad analyting to white the life of the l

right through the truth, and would have been exactly right had it confessed four for instead of won, and its wriggling phantom of a gain of "three State Senators," factor away after the wriggling dance is over, and presents two lost to the coppery side, and two gained to the Union. It of the compact with the wright of the State over which it wrights a platfour of expiring tails, has vanished like—2An ignit fatum that beniches.

rise of the China. The States of the China. The American majority of \$5000° in the States over which it wriggles a platfoon of despiting table, has vanished like. "An again time in the plate of the control of the flopshies well of fall centrol of the flopshies of the flopshies of the point of the flopshies of the point of the flopshies of the f

CONGRESSMEN TERS FED

COMMENSMEN ELECTION.
We are enabled to revise our list of
Congression chosen in the State-and give
overal additions to the right side. The
present delegation stands 31, Pinion and
12 Democratic. Now the delegation will
stand certainly, 16, Pinion, and probably
17; leaving about our third of the delega-tion to the Democracy. The following is
a list of the new certainly electred:

King's majority 72s. The impority will doubtless be more used somewhat but prochably not were fifty. As the Judge was vorget for my a seperate slip, very many vores in the army were lost. In someworth majority of Judge King is thereby growthy a chool. We congrantate Judge King on the result and raine some the people of the Judge King and the majority of the Majorith of the Westernaturate Judge King on the result and raine some the people of the Judge King and the will meet every just to pay thom as an additional project, and successful Judge.

plie of the dissipart has he will more every just so jet their bain as an addition, progitional successful durks.

The Dimediance of Franklith have every successful durks.

The Chicago plattern promothers the most devices. The base poetry much their whole foreign for motions for the next devices. There look poetry much their whole foreign for the people on the 14th met. and have the hand within our tile wall, pointing in the their dissipation on their bails of the people on the 14th met. and have the hand within our tile wall, pointing in their plack, but kindly control than the sum is serior order if possible. We common if they are not their plack, but kindly control than the symmetry of the company, but the plant will be symmetric through the plant in the pointing of the company to the light of the plant of the control, we think they have done well to hold a series of meetings throughout the county. True, they can't hope to make after your prove that there was not Democrate the cited on the 15th of, being to make provided the side of the their plants of the plants of the control with the specific through the plants of the plants o

"Wi, came, we saw, we conjuncted" says My, O. E. Shamoon, Chairman of the Digmeriary of Bedford, in his address to his followers. That the came, that he saw, is mut to be disputed; but just what he-comparied, is not yielde to ordinary op-ties. He has best at congressman: a dudger YawA Assembly mer; a Start; a Senate; at Borise; YawKhirds, of the Congressmen, and metaleth and a Commissioner or ties. He has last a Congressman; a Judgestwo, Assemblymen; a State; a Stane; at Rouse; two fixthinds of the Congressman, and probably sared a Commissioner of Auditoria Belford county. We affection ately advise Mr. Shanmon to revise his address and give his, quintaint in the original vermoulur, and then the will have the advantage of but for anderstanding it. The missabed would probably regard it as a broand-side against the draft, or as words of heach to he skulling copperhead disserters under the shadow of Mr. Shanmon, and they would yell their jampoval but to use English, which everybody understands, for figure our copperhead victories when the party is routted everywhere, is crowding his monurage mast releatibes by. Lot Mr. Shanmof go back to the feiginal.

yerrording the manneg most rectangle, in all years of the day's purior a partial of ten-tion. B. McCellan, with a history of his military and political curver. We affectionately advise unit between the fact for save this paper, as it will processive the fact for history that 150 m. McCellan was a candidate for the Presidency, in 1841. It is not probable, from the present signoof the political horizon, that the electronic deliges will give any evidence that the Chicago trick-tension of the contract of the fact of his criming for Vice President should be well established before the people get a chance at him on the 8th of November. After that the it will require very respectable affidiavited proceed in the Northern States, as impartial history, milose confounted by the investment of fact, which attends the day the mesonable fact, which attends the naturally enough class him as having our behind deft. Daxis.

doty, withless confranted by the mesovarile fact, which naturally enough class him as having tun behind Jeff, Daxts.

Extending tun behind Jeff, Daxts, and that is necessary to a decisive victory. There is not an election district in this county that had not from five to twenty Union voters absent at the late election, while the Democratic vote, was polled-almost to main. A loss of two votes in each election district of the State will make over five thousand in the aggregate. The State will vote for Lincoln, but it is due to the cause that the vote shall be decisive. The more overwhelming it is the under beneficer will be its fruits. Lat the Hypole peak is vindication of their government in such tones.

as will make lawlesoment and all shadowed treason blot in shanes.

As-yes-extent must be made ten days treason blot in shanes.

Let only the majority in Frank-in the township, and we concert in the opinion that they are not been patient to the majority in Frank-in the township and we concert in the opinion that they are not needed; but when the majority in Frank-in the most not they are not share the majority in Frank-in the feeded and we must not through upon them the messary to make the majority in Frank-in the feeded and we must not through upon them the messary of saving the county from a tended and we must not through upon the feeded and we must not through upon them the messary of saving the county from a tended and their vetories. Let every Union solution in the feeded in the support of the government.

Let a various Democratic majorities and their shared in the feeded in the support of the government.

Let a various Democratic majorities and the armies in the feed to endowe the feeder in the feeded in the support of the government.

Let a various Democratic majorities and the armies in the feed to endowe the ways is vectories for MCHEL proferry and the feeder in the feeder in the feeder in the profession of the feeder in the feeder in the profession of the feeder in the feeder in the profession of the feeder in the feeder in the profession of the feeder in the feeder in the profession of the feeder in the feeder in the profession of the feeder in the feeder in the profession of the feeder in the feeder in the profession of the feeder in the feeder in the profession of the feeder in the feeder in the profession of the feeder in the feeder in the profession of the feeder in the feeder in the profession of the feeder in the feeder in the profession of the feeder in the feeder in the profession of the feeder in the as will make lawlessness and all shades of treason lide in shase.

Exios meetings have not been sailed in the townships, and we concur in the opinion that they are not needed; but work searnest frieless systematic work increasing to make the majority in Frank in the decisive for Aux MAS Lisson.

We have over 1,200 bares, soliders in the field, and we must not throw upon them the necessity of saving the county from a credict against their heroism, their sacrifices and their victories. Let every Enion man go to work at once, and the victory will be work as signific, that treason and its sympathieses will have in aubunishin to the have and the support of the government.

Less various Democratic majorities are sometified Democratic Senators, a softwort sof Democratic Assemblymen, and thousands of Democratic soldiers who were expected to make the Nation reddent with the master of strive as lack our old Commission of Democratic Assemblymen, and thousands of Democratic soldiers who were expected to make the Nation reddent with the master of strive as lack our old Commission of Democratic Assemblymen, and thousands of Democratic soldiers who were expected to make the Nation reddent with the assistee of the desounded property in mader. Although the stripe of the soldier of the stripe and the surface of the desounded property in the assistee of the desounded property and the surface of the desounded property and the surface of the desounded property. It is not that the surface of the desounded property and the surface of the deso
