them wisdom to grapple with this great or casion.—Agr.

There's was one black cloud at Hicknessed vestersky that did not make the heavisof the people and, vite the entrance of the colored regiment with the hightnings of the old flag-lancing over their brads, and the thunder of "John Brown" rolling from these lips.— Forney's Process.

at "John Brown" willing from their lips.

Before a Price.

Before a Control of the price of the monor in the price of the

Power and a consequence of the continuous powers in the first of the control of t

addition be made to the volume as the entry. But no feet for the "Exed policy."

Yet in the face of the "Exed policy."

Scentary, McUshe is and has been adding to the volume of the curronsy very materially every day, by the creation of National Sanks. During the week in which he abore sources was given, the smooth of banking capital authorized was over \$2,00,000, and last week it was \$7,50,000.

The Secretary must stop thy creation of National Banks are always to published. 83,40.000, and has week it was \$7,50.000. The Secretary must stop the greation of National Hanks or he cannot stop addition on the volume of the ourners; and as long as the currency continues infland to its present ration, the price of gold, and everything also must construe as high all least as they now are, while if the currency is further increased, prices must go up higher.—New Humpshire Patriot.

The President hinself enjoyed immensely a story told him the other day of one of our dandified New York tailors, not far from Astor Place, who, speaking of the View President said. "He is a diagraze to the profession air, a diagraze to the profession air, a diagraze to the profession."

THE Legislature of Minnesota ha an amendment to the Constitution State, allowing negroes to vote.
