deral engagement in either department during the part was across as in a part was a close sentia, as in the continue of the continu

that with the exception of heavy skirmishing and occa-shells thrown into the city, g has transpired at that point while her transpired at that pour-iduring the past week. Some of the shells thrown into the city had scrip-tural quotations in Hebrem pasted on them.
The new received by late telegrams, and through the Mobile papers, is not calculated to account from blame, (if

can bring against it. Mobile in in fact at deed stripped for the fight, and the public composure tells unerringly of the public determination.

A few days ago Mosby stracked one

snergy, succeeded in procuring a suffi-cient amount of machinery to resume operations, and expects to do so in the course of a few weeks.
